

Welcome to Arid Recovery

Returning species from threatened to thriving in Australia's largest predator-proof fenced reserve.

The 12,300 ha reserve has been a living laboratory for over 20 years in the recovery of threatened species.

ARID RECOVERY

SUNSET TOURS

Our reserve is located 23 kilometers
north of Roxby Downs,
on the Borfield Road

What's included?

Explore Australia's arid zone with a guided tour of the Arid Recovery reserve.

Tours run for 3-3.5 hours.

Witness the breathtaking desert sunset from our viewing platform.

As dusk falls, embark on an adventure through the dunes, encountering animals like burrowing bettongs, greater bilbies and spinifex hopping mice.

Book a tour

Tours operate Wednesday and Fridays from April to October. Contact us for availability outside these times.

\$60 per adult

\$30 per child (3-16 years)

Under 3 years is free

A tour requires a minimum of 3 and a maximum of 8 participants to proceed. For larger groups, alternative arrangements can be accommodated.

What to bring

- Your own vehicle
- Drinking water
- Sturdy enclosed footwear
- Long pants
- Warm jacket
- While it is not essential, visitors may also like to bring their torch and camera

**In a natural ecosystem,
we cannot predict what you
will see, but we promise a
unique experience**
